# SCIENCE FAIR

10/10/2025

A Science Fair was conducted in our school, where students presented many creative science projects, and Dr. Blessy Ma'am graced the event as the chief guest. The exhibition encouraged scientific thinking and curiosity among students, helping them learn through observation, experimentation, and innovation.

# Fire and Safety Awareness Program

Our school organized a Fire and Safety Awareness Program before Deepavali, where officers from the fire station guided students on how to celebrate the festival safely. They demonstrated safety measures and explained how to handle fire-related situations responsibly. The program was both informative and educational, helping students understand the importance of safety and awareness during celebrations.

BE SAFE

# KG Field Trip

Our school organized a field trip for KG students to Udayagirikottai, located in Thuckalay. The children visited the animal park, where they observed different animals and their surroundings. Through this trip, they learned to identify animals, understand their habits, and develop love and care for living creatures — making the visit both fun and educational.
